ASSEMBLING DIRECTIONS

Place each piece on a towel and pin to measurements, following the schematic.
Steam pieces lightly (except for Mohair and Angora). Let pieces dry completely before removing pins.
Sew the pieces together using a yarn needle or crochet them together using the diagrams as follows:

SHOULDERS

- Insert hook into the seam or the back of a st on each side.
- Work a single crochet to join the sts.

If the yarn is large enough, you can work through open sts, that is: do not bind off the sts and leave a long enough strand to make one row.

SIDE SEAMS

- Insert hook into the seam or the back of a st.
- Work slip stitch.

SLEEVE SEAMS

- Work in slip stitch
- Work in single crochet

JOINING SLEEVES

Join the sleeves to the body as follows :

- 1 - divide the armhole into three equal lengths and mark them.
 - 2 - Divide the top of the sleeve in same way, with more or less the same three length as the armhole.
 - 3 - Match the sleeve cap to the armhole and pin or baste in place.
 - 4 - Crochet the sleeves to the armhole using single crochet.
- After seaming, lightly block the seams on wrong side.

Elastic method for binding off

1 - Along 2 rows preceding bind off row work only k sts and slip p sts purlwise, with yarn in front.

2 - Insert tapestry needle in selvedge st, from front to back or left to right. (If foll st is a k st, insert in 2 sts at the same time). Slip st (or both sts) from needle and pull thread tight.

3 - Insert needle in foll p st, from left to right or from front to back. Pull thread. Leave sts on LH needle.

4 - From right to left insert needle in last k st (which is not on needle anymore) and in foll k st.

5 - Insert once more, from right to left, in p st. Pull thread. Slip 2 sts (1 p st, 1 k st) from needle.
